Horizon are pleased to present this 2 bedroom terraced house located in central Middlesbrough sought after for any investor.

To briefly summarise, the property has two bedrooms, attached are en-suites with open space located downstairs for the front room and diner. Tenant is currently in situ but will be vacating early September. Horizon Sales & Lettings are happy to assist with finding and referencing future tenants!

The property will be excellent for an investment property to build a portfolio but could also make a great First Time Purchase.

Are you buying for investment? Speak to us about our fixed term management packages, we help landlords achieve a higher return on their investments with our short term lets and contractor accommodation.
